

榛 東 村 2026 Calendar

Garbage Collection Schedule in SHINTO (Apr. 2026 ~ Mar. 2027)

GARBAGE COLLECTION SCHEDULE

Let's follow garbage disposal rules!

Please make sure to put burnable garbage, non-burnable garbage, and plastics in the **village-designated bags** for disposal.

8:00 AM

Please put garbage out by **8 AM on collection day** at the designated place in your area.

Large amounts of garbage should be split up or taken directly to the Cleaning Center (**fees apply**).

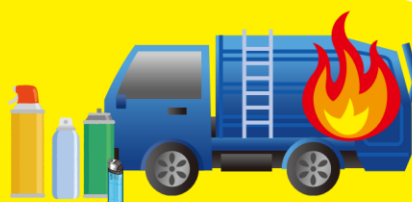

Please refrain from putting out garbage at night or outside designated areas.

Garbage is collected Monday to Friday, including public holidays (**except New Year's**).

There have been many fires involving garbage trucks throughout the prefecture!

Please make sure to use up all the gas and empty the lighters, gas cartridges, and spray cans before disposing of them.

Please help us by separating plastics!

The collected plastics can be recycled into new plastic products at recycling facilities, thus reducing the carbon dioxide that would otherwise be emitted if the plastics were burned.

We appreciate your cooperation in helping us realize a carbon-free society.

PLASTIC WASTE

TYPES	○ Plastic containers and packaging (items with the “plastic” mark) Examples: Trays, packs/cups, plastic bags, tubes, labels, bottles (excluding PET bottles), polystyrene foam, etc. ○ Plastic products (100% made of plastic) Examples: Hangers, buckets, toothbrushes, CDs and other discs, sponges, silicone products, urethane products, toys without metal parts, etc.	
IMPORTANT NOTES	○ Please put plastic in the village-designated pink bags. ○ Please thoroughly wash dirty items. Items that cannot be cleaned should be disposed of as burnable garbage. ○ To facilitate sorting, put plastic directly into the designated bags, without any other bags. ○ Please cut items such as hoses and electrical tape to less than 50 cm before disposing of them. ○ Items containing materials other than plastic (such as metal, rubber, or wood) should be disposed of as burnable or non-burnable garbage. However, there is no need to remove stickers such as price tags from lunch box lids or wrapping on fresh food. ○ Items that do not fit in the designated bags should be disposed of as oversized garbage. ○ Please do not put out PET bottles.* (Labels and caps are OK.) *PET bottles have a special recycling process and need to be collected separately. Please use your neighborhood association’s resource collection or stock house. Caps are collected at the stock house. UNICEF will send vaccines to children around the world based on the amount collected. We appreciate your cooperation. ○ Please do not put out business waste.	
COLLECTION PLACES	Please dispose of garbage at your neighborhood association’s designated collection station. Not accepted at the Recyclable Resource Stock House!	
COLLECTION DAYS	Areas 1 – 8 Neighborhood Association	Twice a month on second and fourth Wednesdays until December 23 / from January 13
	Areas 9 – 21 Neighborhood Association	Twice a month on first and third Wednesdays until December 16 / from January 6

BURNABLE GARBAGE

TYPES	Paper, food waste, textiles, leather products, disposable diapers, etc.	
IMPORTANT NOTES	○ Please put garbage in the village-designated yellow bags. ○ Please do not put out business waste. ○ Please drain food waste thoroughly to reduce its volume. (More than half of food waste is water) ○ Items that do not fit in the designated bags should be disposed of as oversized garbage.	
COLLECTION DAYS	Areas 1 – 8 Neighborhood Association	Twice a week on Mondays and Thursdays until December 28 / from January 4
	Areas 9 – 21 Neighborhood Association	Twice a week on Tuesdays and Fridays until December 29 / from January 5

UNBURNABLE GARBAGE

TYPES	Metals, glass, ceramics, dry batteries, button batteries, hair dryers, rice cookers, toasters, etc.	
IMPORTANT NOTES	○ Please put garbage in the village-designated white bags. ○ Please do not put out business waste. ○ Please make sure to completely empty gas cartridges and spray cans before disposing of them. ○ Please wrap sharp objects in newspapers or similar material. ○ Please put out recyclable, electronic devices in the collection boxes. ○ Items that do not fit in the designated bags should be disposed of as oversized garbage.	
COLLECTION DAYS	Areas 1 – 8 Neighborhood Association	Twice a month on first and third Wednesdays until December 16 / from January 6
	Areas 9 – 21 Neighborhood Association	Twice a month on second and fourth Wednesdays until December 23 / from January 13
